Case No. 22-10964

To The Honorable Judge Glenn,

I am a borrower with Celsius Lending LLC having taken out one crypto backed loan on April 26, 2022.

I used these funds to pay US and state taxes for tax year 2021. I entered what I thought was a simple

collateralized loan contract with Celsius Lending to leverage my crypto assets to pay

my taxes without having to sell my crypto assets. I would like to honor the original terms of the contract,

pay off my loans in full, and receive the posted collateral back in kind. I know there are many other

borrowers in a similar situation.

Thank you,

Joyce Elaine Dibble
